

**Calypso**

# LANCER®

## Calypso post-mix

The Calypso is a 3 valve juice machine with a small footprint that pours a more consistent drink for longer periods of time.

### Calypso 3 Valve Juice Dispenser

- > Small foot print, width 14.2" (360mm)
- > Includes internal pumps that allow tube replacement without tools
- > Adjustable portion control or push button dispensing available
- > Dry cool system cools immediately and eliminates the potential component failure present with a water bath
- > Flush/rinse available
- > LED lighted front panel
- > Aseptic beverage dispensing
- > **Dispensing Solutions that *Pour More***
